

Wisdom is Strength

NORLINGTON SCHOOL and 6TH FORM

A SPECIALIST MATHEMATICS AND COMPUTING SCHOOL

Date: 27th March 2019

Dear Parent/Carer,

Please be aware that as part of the development of the Norlington School site a planning process has begun that includes a consultation with the local community. If successful, the building work will include;

- new large indoor sports facilities
- new outdoor sports pitch (Multi Use Games Area surface)
- new weights gym
- new music practice rooms
- repurposing of current gym into new classroom, a new Learning Resource Centre and an adaptable space for productions
- improved canteen facilities
- improved classroom facilities
- improved 6th form facilities
- larger playground and social spaces

The work will be completed over the next 2 years and while primarily being completed to support the expansion of the school by 1 form of entry, it will benefit every student of the school.

The consultation event is taking place on the 3rd April from 3pm to 7pm at the school and is open to all members of the local community. Plans will be available.

We welcome any letters supporting the planning application.

I would like to thank you for your continuing support.

Yours sincerely

Mr J Hernandez
Principal
