

Norlington Staff: Careers Feedback

We are preparing our students for a successful and happy life, where they feel able to make considered decisions and contribute fully in society. Careers education is an important aspect and I am keen to hear your feedback about how careers education both formally and informally impacts the experiences of our students. I am also interested to find out our knowledge base as a staff and how you feel careers education is delivered and addressed at Norlington. Please answer the questionnaire honestly and add your name as this will help to process any requests, or pursue your interests further.
