

# NORLINGTON SCHOOL and 6<sup>TH</sup> Form

A SPECIALIST MATHEMATICS AND COMPUTING SCHOOL

Wisdom is Strength

18<sup>th</sup> July 2022  
JH/REM

Dear Parent/carer

As a school we work hard to ensure we remain open at all times for students. Due to the extreme heat warnings, on Friday the decision was taken to cancel projects week activities that may place the students at risk and finish at 12:30 on Monday 18<sup>th</sup> July.

The forecast for Tuesday 19<sup>th</sup> July is worse with temperatures expected to exceed 40 degrees. Due to the extreme heat and limited number of rooms that will stay at a lower enough temperature, the decision has been taken to **close the school to students** with the exception of those who need to be on site for any reason. This could be for child care issues or student vulnerability.

If you wish to access this offer, we ask that you call the school by **3 pm** and leave a message giving your son's **name, year group and form**.

The school will be back open on **Wednesday and Thursday** for all students when Projects week activities will resume as set out in the letter sent on Friday 15<sup>th</sup> July.

As stated in the previous communication, the school will finish to students on Friday 22<sup>nd</sup> July at 12:30.

Thank you for your support with this matter.

Yours sincerely,

Mr J Hernandez  
Principal
