

NORLINGTON SCHOOL & 6TH FORM

A SPECIALIST MATHEMATICS AND COMPUTING SCHOOL

Wisdom is Strength

April 2020

Dear Parent / Carer

Re: Year 9 Maths

A message from the Norlington Mathematics department.

During this time, we are providing the following resources to enable your son to study independently.

Priority Resource: Hegarty Maths

www.hegartymaths.com

Your son's teacher is setting a minimum of 6 tasks weekly on here in line with the Maths Departments schemes of learning. Your son has access to videos and quizzes which enable him to be completely independent in his Maths studies and receive feedback from his teachers.

To access this, he needs to sign up using the 'Student Login' tab. Initially, he needs to enter his **first and last name** and **DOB**. It will ask him to set his own password.

If computer access is limited: Norlington Portal

'Offsite Resources for Students' – Accessed through the portal.

Inside the corresponding year group folder, you can find the schemes of learning. We are currently in cycle 5. There are topic-based booklets which your son can work through that corresponds to these. Your son will need to use pen and paper to work through the booklets.

Other useful sites:

www.mathsmadeeasy.co.uk

www.mathsgenie.co.uk

www.khanacademy.org

www.drfrostmaths.com

www.corbettmaths.com

If you have any questions about any of the above, or your son needs to assistance with his maths work, please contact your son's teacher or myself on the emails below.

Set 1: ikhan@norlington.school

Set 2: squraishy@norlington.school

Set 3: akamal@norlington.school

Set 4: hali@norlington.school

Set 5: kemerson@norlington.school

Yours sincerely

Mr R Goldspink

Head of Maths
