A SPECIALIST MATHEMATICS AND COMPUTING SCHOOL

Wisdom is Strength

Dear Parent/Carer

Norlington lunchtime service is changing with a new Canteen style offer for students from Tuesday 6th October. The new menu will provide a wider set of food options for all students and includes Grab n Go, Panini's and Wraps as well as a main meal. I have included an example menu for both mid-morning and lunchtime on the reverse of this letter.

As part of this change we are also adopting a cashless payment method linked to ParentPay. **After the 5th October we will not be able to accept cash payment for any meals offered in the school.** To facilitate this we shall be installing a tried and tested system used across many schools that follows the latest guidance on protecting personal data while providing the smoothest and safest payment system.

It is essential that all students bring a completed slip to allow Biometric records to be taken. This will be used as an identifier when they pay for their meals.

Parents/Carers will be able to top up school canteen accounts on ParentPay from 1st October. We recommend parents download the ParentPay phone App. Any parent who needs to reset their access to ParentPay should contact the school office as soon as possible.

ParentPay Canteen Meal Top up

Minimum Top up - £5
Maximum Top up - £50

Thank you for your continuing support.

Yours sincerely
