I hope you and yours are well at this time.

Following a government announcement of onsite COVID testing in January, students will again be returning to school in a staggered manner. Unlike previous return to school COVID test programmes, students will only complete 1 test onsite. The table below outlines the times for COVID tests and the date students will return to school. Students arriving for COVID tests should use the front entrance of the school.

Onsite COVID testing will only take place for students who wish to access the testing. Parents/Carers will need to provide consent for students to take a test. This can be completed using this link <https://forms.office.com/r/Ahmmet1Ccj> or by scanning the Barcode below

A Privacy notice is attached as a separate document.

Students arriving for COVID tests should use the front entrance of the school.

I would like to thank you for your continuing support as we continue our return to a more 'normal' life.

Yours sincerely,

J Hernandez
Principal
