A SPECIALIST MATHEMATICS AND COMPUTING SCHOOL

Wisdom is Strength

15<sup>th</sup> December 2020

## Timetable and arrangements for Year 11 January Mock (2) Examinations

Dear Parents / Carers

Your son will sit his second mock examinations from **Wednesday 6<sup>th</sup> – Friday 15<sup>th</sup> January 2021**. All subjects are to be examined.

It is crucial that you son attends all of his exams and prepares best a he can as it would form evidence for any Center Assessment Grades if schools are directed to produce this by the DfE.

Attached is a general timetable outlining your son's exam times. A personalized one has already been sent to your sons' outlook email address and the registered parental email.

During the examination week, your son may be dismissed at break (1105am) if he does not have 2 exams in one day. Students will be dismissed by lunch latest (1335pm) as we have kept to the maximum of 2 exams a day. There is an exception for some students who have been invited in for DT catch up on Tuesday 12<sup>th</sup> January (see timetable).

There will only be sandwich meal bags provided for our Free school meal students during the mock week.

Please be familiar with his timetable so you are aware where he needs to be.  
All students must arrive to school at the normal time every day (8:45am at the latest).

**Please remind your son that behavioral expectations of the examination hall and its surrounding are very strict and any suggestion of incorrect behavior or practice will result in a dismissal. In which case you will be notified.**

Please ensure that your so is adequately equipped with:

- Black/blue pens.
- Pencils.
- Ruler.
- **Calculator – Please pay special attention to this.**
- Highlighter pens and of coloured pencils.

Results from these mock exams will be used to produce his predicted grades and will also influence Higher or foundation exam entries.

If you have, any questions please feel free to contact me.

Yours Sincerely,

Mr Y Hafesji  
KS4 Academic Performance Lead
