

# NORLINGTON SCHOOL and 6<sup>TH</sup> FORM

A SPECIALIST MATHEMATICS AND COMPUTING SCHOOL

*Wisdom is Strength*

22<sup>nd</sup> October 2020

## Timetable and arrangements for Year 13 Mock Examinations

Dear Parents and Carers,

As you are aware, your son/daughter will sit their Year 13 mock exams the week beginning Monday 2<sup>nd</sup> November 2020. Students will sit a minimum of one paper in each of their subjects. As we have explained in previous correspondences these mock examinations will take place in the second week of the October half term.

It is crucial that you son/daughter attends all of their exams and prepares the best they can as it would form evidence for any Center Assessment Grades if schools were to close for an extended period. They will also be used as evidence to support UCAS grade predictions.

Furthermore, the result of the mock examinations will help you and your son/daughter identify weaknesses and strengths in each subject which will support their success in their final examinations in the summer of 2021.

Attached is a timetable outlining their exam times. During the examination week, your son/daughter only needs to come into school for their mock exams. If they have two exams on the same day, they may leave school site in between exams or use G29 to prepare for their next exam. Please familiarise yourself with this timetable so you are aware when your son/daughter is required to be in school. All Year 13 mock exams will take place in the cabins.

All students must arrive to school at 8:45am for exam 1 and 12.15pm for exam 2, and they must enter the school through the front gate. A register will be taken at the start of each exam, and any lateness/absences will be followed up with a phone call home. Students do not have to follow the usual business wear dress code and will need to bring their own lunch as the canteen will only be open for students who have Free School Meals.

Your son/daughter should be equipped with:

- Black/blue pens
- Pencils
- Ruler
- Calculator

If you have, any questions please feel free to contact me.

Good luck Year 13!

Best wishes,

Mr C Wadey  
Assistant Principal,  
Head of 6<sup>th</sup> Form
